**Greg Johnson**  
B.Pharm M.B.A.  
Chief Executive  
Diabetes Australia – Vic

Greg Johnson joined Diabetes Australia – Vic as Chief Executive in January 2003. He has over 25 years experience in healthcare including 15 years experience in chief executive roles in hospitals and health services in Victoria, South Australia and Tasmania.

Greg holds a degree in pharmacy, post-graduate qualifications in hospital pharmacy and health service management, and a masters degree in business administration.

He has been a Surveyor for the Australian Council on Healthcare Standards for over 14 years and is an Associate Fellow of the Australian College of Health Services Executives.

He has participated in a range of industry and government advisory committees and is a Member of the Australian Institute of Company Directors.

Greg has a particular interest in the management, awareness and prevention of diabetes. He is also passionate about advocating for people with diabetes and raising awareness of the issues associated with research to improve people's lives.

Diabetes Australia – Vic is the peak consumer body and leading charity representing all people affected by diabetes and those at risk.
