

TALENT RELEASE FORM

A primary focus of Diabetes Victoria is to produce a range of publications which work toward creating as well as raising community awareness around diabetes.

Media captured under this talent release may end up in, but not be limited to, the following publications: Diabetes Victoria membership magazine, annual report, campaign collaterals, promotional and event collaterals, newsletters, internet (including blog posts), intranet, TV commercials, community service announcements and fundraising, commercial news bulletins, and health literature.

By signing this agreement you give Diabetes Victoria the permission to use all captured media including audio, moving and still imagery, and text quotes at their discretion in the above mentioned publications. You also agree that the captured media may be altered, digitally or otherwise, for use in these publications.

ALL CAPTURED MEDIA SHALL THUS REMAIN THE PROPERTY OF DIABETES VICTORIA.

TALENT RELEASE CONSENT

- I hereby give permission for my story and any captured audio and still or moving imagery to be used for media, promotion and marketing purposes by Diabetes Victoria in print, electronic and digital publications; on the Diabetes Victoria website, Diabetes Victoria social media platforms; by 3rd party media selected by Diabetes Victoria to promote Diabetes Victoria and its cause; and for promotional purposes by organisations affiliated with Diabetes Victoria.
