

# Diabetes Victoria's Peer Support Program

1. Public liability and professional indemnity insurances

2. Regular contact with the peer support team via telephone and email

3. Opportunity to apply for annual Diabetes Victoria peer support grants for your group.

4. Free convenor trainings and networking opportunities

5. Promotion of your group to the Diabetes Victoria community

6. Connection to a diverse network of peer support groups

## In return, a peer support group will provide:

- An active phone number and email address to Diabetes Victoria.
- A minimum of four opportunities each year for your local diabetes community to meet and support each other.
- An annual income and expenditure statement from those who have received an Diabetes Victoria peer support grant in the last financial year.
- Group evaluation when requested.
- Updates on your peer support group's activities and membership.
- Group profile and participation form (when you join the program).
