

SHARE YOUR EXPERIENCES CHILDCARE/PRESCHOOL WITH T1D

Are you a parent of a child living with T1D?
We want to hear from you!

COMMUNITY RESEARCH PROJECT

The Australian Centre for Behavioural Research in Diabetes (ACBRD) and the KIDS Research Institute wants to hear from parents about their childcare/preschool experiences for their child living with T1D.

WHAT IS IT ABOUT?

We want to understand:

- What helps make preschool/childcare safe and inclusive for kids with T1D?
- What stops parents accessing preschool/childcare for kids with T1D?
- What changes are needed to make sure kids with T1D have a safe and happy experience?

HOW DO I TAKE PART?

Please share your experiences at:
