restaurants, travel insurance

95%

of members are
likely to renew their
membership

"Living with type 1 for nearly 44 years, the last 8 years that I've been a member of Diabetes Victoria was more uplifting, helpful and liberating than all the knowledge and training I had about type 1 diabetes."

"I enjoy reading the magazines to keep up to date with developments in the area."

"Diabetes Vic is an excellent source of current information and future developments. Recipes are a great contribution."

Thank you!

Your feedback is incredibly important to us and helps guide the ongoing development of our membership program and the work we do to support people affected by diabetes.

These results are from the Membership Survey sent to full members.
